This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 7/20/2020. As of 7/20/2020, two full years of data for this program will be available.

## **DEFINITIONS**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.

**26413 Jefferson Ave, Ste. G Murrieta, CA 92562 \* 951-326-9992 \* [www.CaliPhlebotomy.com](http://www.CaliPhlebotomy.com)**

- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL**

You are entitled to a full refund of any monies paid to the California Phlebotomy if your cancelation request is received at least 1 full business day before the first class of the session for which you have enrolled. Any cancelation request received on, or after, the first day of class will be subject to the refund amounts listed in the table below.

After the commencement of class if the student quits attending OR requests to withdraw, we will refund based on the following attendance schedule. Once a student has attended 70% or more of the classes offered during the session they signed up for, NO REFUNDS will be given pursuant to CEC 94920.

**\*\*All requests to withdraw must be submitted in writing to [Info@CaliPhlebotomy.com](mailto:Info@CaliPhlebotomy.com)**

- Attended 1 Saturday Class or 1 &/or 2 Morning or Evening Classes = 75% full tuition (Minus registration fee)
- Attended 2 Saturday Classes or 3 &/or 4 Morning or Evening Classes = 50% full tuition (Minus registration fee)
- Attended 3 Saturday Classes or 4, 5 &/or 6 Morning or Evening Classes = 25% full tuition (Minus registration fee)
- Attended 4 or 5 Saturday Classes or 7+ Morning or Evening Classes = NO REFUND

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you obtain a loan to pay for the educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If you default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against you, including garnishing an income tax refund; and (2) You may not be eligible for any other government financial assistance at another institution until the loan is repaid. California Phlebotomy School does not offer any distance education.
